

LIQUID FARM

2023 GOLDEN SLOPE CHARDONNAY

Sta. Rita Hills AVA

37% Rita's Crown, 27% Hilltop, 26% Clos Pepe,
5% Spear, 5% Kessler-Haak

Golden Slope is one of our original bottlings and is for our love of the Cote d'Or (slope of gold) and an homage to Meursault. This wine showcases the versatility of Chardonnay from Sta. Rita Hills. Powerful yet elegant; rich and refreshing; buttery but with lively acid.

This wine, like all Liquid Farm wines, is produced from meticulously farmed, hand-picked grapes and without modern day manipulations or additions.
unfined, gently filtered
